

Application for Commercial Endorsement

NOTES FOR APPLICANTS

If you take up to 12 paying customers to sea on Vessels under 200 gross tonnes you are probably required by law to hold an RYA Certificate of Competence with a Commercial Endorsement.

If you are taking more than 12 paying passengers or/and a vessel greater than 200 gross tonnes you may require other qualifications administered by the Maritime Coastguard Agency (MCA). For further details please visit the MCA's website.

Full details of the requirements for the boats and manning can be found in the following:

- Harmonised Code of Practice for Small Commercial Vessels (available to view on MCA website)

The commercial Endorsement is valid for 5 years however, you must ensure that your medical fitness certificate (ML5 or ENG1) is always in date. After 5 years you will receive a reminder to renew your endorsement and we will require a new medical fitness certificate and evidence of active service declared.

RYA Instructors and Examiners who are re-tested practically to re-validate do not have to record their active service.
